

# Untitled

can i commit and push?

## R Markdown

Some changes.

## Including Plots

You can also embed plots, for example:

Note that the `echo = FALSE` parameter was added to the code chunk to prevent printing of the R code that generated the plot.

## Big changes to html

What I'd really like to do is change the html and pdf, not push them, and see what happens...

```
plot(cars)
```
