

Untitled

can i commit and push?

R Markdown

Some changes.

Including Plots

You can also embed plots, for example:

Note that the `echo = FALSE` parameter was added to the code chunk to prevent printing of the R code that generated the plot.

Changes to pdf

What I'd really like to do is change the pdf, not push it, and see what happens...

```
plot(cars)
```

And now, here are new changes

```
hist(cars$speed)
```

Histogram of cars\$speed

```
hist(cars$dist)
```
